

### **Item E. - Reports, Correspondence and Guests**

Item E.2. Receive presentation from Ehlers and Associates regarding the Pay 2025 School District Property Tax Levy - Jodi Zesbaugh and Matt Hammer will be present to review the proposed Pay 2025 School District Property Tax Levy with the School Board. This is a presentation only with no action to be taken at this time. Jodi and Matt will present the levy and the intricacies surrounding (the levy) and will be available to take questions from the Board if needed. Page 30 of the MDE Levy Data Report has been included in the packet (Board book) in advance of the meeting for the Board's review. Along with that, information from Ehlers (Jodi and Matt) has also been included in this month's packet. Again, no action from the Board will be needed at this meeting. Final action on the proposed school district levy will take place in December.

Item E.3. Approve Resolution of Forms A and B from the Minnesota State High School League (MSHSL). Each year, the MSHSL provides local school districts with the opportunity to access endowment funds from the MSHSL Foundation. The League, when asked by local school districts, distributes proceeds from the interest earned from the (MSHSL) Foundation to offset activity program costs. As you can see, LPGE will be using these dollars to purchase "Med Kits" for the various activity buses as well as offsetting transportation costs for our students to attend the leadership conferences hosted by the MSHSL. Again, the request of these dollars (from the MSHSL Foundation) needs an annual resolution from the School Board and I would recommend the Board's approval.
