Mr. Forsgren introduced Principal Pomeroy and Intern Ms. Lisa Gill, from Eagle Bay Elementary. Ms. Pomeroy spoke in detail about the Leader in Me Program and how it helps the growth of each student as a human being. The Leader in Me Program is the children's version of 7 Habits of Highly Effective People. It helps everyone to know that they can be a Leader and to embrace the thought that they can say "Change starts with Me". Educators empower students to lead their own learning so they can assist in helping to develop the whole person. Ms. Gill explained that if we combine the strengths of culture, academics and leadership we the adults and students, become more well-rounded. Ms. Gill also shared the relationship and connections between the Leader in Me and HRS. She played a power point of student leaders sharing what they do at Eagle Bay.
