## 1:10 School District Legal Status

The Illinois Constitution requires the State to provide for an efficient system of high-quality public educational institutions and services in order to achieve the educational development of all persons to the limits of their capabilities. [PRESSPlus1](#)

The General Assembly has implemented this mandate through the creation of school districts. The District is governed by the laws for school districts serving a resident population of not fewer than 1,000 and not more than 500,000.

The Board of Education constitutes a body corporate that possesses all the usual powers of a corporation for public purposes, and in that name may sue and be sued, purchase, hold and sell personal property and real estate, and enter into such obligations as are authorized by law.

**As part of the Board of Education**, I shall accept the responsibility for my role in the equitable and quality education of every student in the School District;

## Questions and Answers:

\*\*\*Required Question 1. The School Code does not specifically address what happens when board members violate their oath of office, nor does it create an opportunity to take legal action for such violations. *Collins v. Bd. of Educ. of North Chicago Comm. Unit Sch. Dist. 187*, 792 F.Supp.2d 992 (N.D.Ill. 2011). **Consult the board attorney for guidance when considering any type of disciplinary action or sanction against a board member.**

Depending on the situation, a board self-evaluation or private one-on-one meetings with a board member may be appropriate to address an issue relating to board member behavior (for a list of IASB workshops, see [www.iasb.com/conference-training-and-events/training/workshops/](http://www.iasb.com/conference-training-and-events/training/workshops/)). When a board member's violation of the oath of office also constitutes a willful failure to perform his or her official duties, the board may request the regional superintendent to remove the member from office. See sample policy 2:60, *Board Member Removal from Office*, available at PRESS Online by logging in at [www.iasb.com](http://www.iasb.com), at footnote 2, for further discussion. A board member whose conduct violates conflict of interest laws may also be subject to criminal liability and removal from office. See sample policy 2:100, *Board Member Conflict of Interest*, and its footnotes, for additional information. In consultation with the board attorney, a board may also consider other actions to address a member's violation of the oath of office, such as publicly censuring a member. *Houston Comm. College System v. Wilson*, 595 U.S. 468 (2022) (holding that a college board of trustees did not violate a trustee's First Amendment rights when it adopted a resolution censuring him for "reprehensible" conduct). Other sanctions may be also warranted, depending on the facts. For example, in *Earnest v. Jasper Cty. Comm. Unit Sch. Dist. No. 1*, 371 F.Supp.3d 459 (S.D.Ill 2019), a court held a board member was not deprived of his liberty interest under the 14th Amendment when the board limited his access to confidential board packet information after it found the board member shared confidential personnel and student information with members of the public.

To encourage appropriate conduct, boards may wish to have their policy express potential consequences for violating the oath of office or the *Code of Conduct for Members of School Boards*. Such boards may add the following sentence to the end of this policy:

"A board member who fails to abide by the oath of office or the *Code* may be subject to action by the Board, including, but not limited to, formal censure and/or referral to the Regional Superintendent for

removal from office under Board policy 2:60, *Board Member Removal from Office.*"

Has the Board adopted this policy to include the optional sentence shown above?

No. (Default)

Yes. (For districts in suburban Cook County, IASB will replace "Regional Superintendent" with "appropriate Intermediate Service Center Executive Director.")

### **2:125 Board Member Compensation; Expenses**

#### Board Member Compensation Prohibited

Board of Education members provide volunteer service to the community and may not receive compensation for services, except that a Board member serving as the Board Secretary may be paid an amount up to the statutory limit if the Board so provides.

#### Roll Call Vote

All Board member expense requests for travel, meals, and/or lodging must be approved by roll call vote at an open meeting of the Board.

#### Regulation of School District Expenses

The Board regulates the reimbursement of all travel, meal, and lodging expenses in the District by resolution. No later than approval of the annual budget and when necessary, the Superintendent will recommend a maximum allowable reimbursement amount for expenses to be included in the resolution. The recommended amount should be based upon the District's budget and other financial considerations.

Money shall not be advanced or reimbursed, or purchase orders issued for: (1) the expenses of any person except the Board member, (2) anyone's personal expenses, or (3) entertainment expenses. Entertainment includes, but is not limited to, shows, amusements, theaters, circuses, sporting events, or any other place of public or private entertainment or amusement, unless the entertainment is ancillary to the purpose of the program or event.

#### Exceeding the Maximum Allowable Reimbursement Amount(s)

All requests for expense advancements, reimbursements, and/or purchase orders that exceed the maximum allowable reimbursement amount set by the Board may only be approved by it when:

1. The Board's resolution to regulate expenses allows for such approval;
2. An emergency or other extraordinary circumstance exists; and
3. The request is approved by a roll call vote at an open Board meeting.

#### Advancements

The Board may advance to its members actual and necessary expenses to be incurred while attending:

1. Meetings sponsored by the Illinois State Board of Education or by the appropriate Intermediate Service Center Executive Director;
2. County or regional meetings and the annual meeting sponsored by any school board association complying with Article 23 of the School Code; and
3. Meetings sponsored by a national organization in the field of public school education.

Expense advancement requests must be submitted to the Superintendent or designee on the Board's standardized estimated expense approval form. After spending expense advancements, Board members must use the Board's standardized expense reimbursement form and submit to the Superintendent: (a) the itemized, signed advancement voucher that was issued, and (b) the amount of actual expenses by attaching receipts. A Board member must return to the District any portion of an expense advancement not used. If an expense advancement is not requested, expense reimbursements may be issued by the Board to its members for the activities listed in numbers one through three, above, along with registration fees or tuition for a course(s) that allowed compliance with the mandatory trainings described in policy 2:120, *Board Member Development*, other professional development opportunities that are encouraged by the School Code, and other training provided by one of the entities described in the above list (see the **Reimbursements and Purchase Orders** subhead, below). Expense advancements and vouchers shall be presented to the Board in its regular bill process.

### Reimbursements and Purchase Orders

Expense reimbursement is not guaranteed and, when possible, Board members should seek pre-approval of expenses by providing an estimation of expenses on the Board's standardized estimated expense approval form, except in situations when the expense is diminutive. When pre-approval is not sought, Board members must seek reimbursement on the Board's standardized expense reimbursement form. Expense reimbursements and purchase orders shall be presented to the Board in its regular bill process.

### Credit and Procurement Cards

Credit and procurement cards shall not be issued to Board members.

### Standardized Expense Form(s) Required

All requests for expense advancement, reimbursement, and/or purchase orders in the District must be submitted on the appropriate itemized, signed standardized form(s). The form(s) must show the following information:

2. The name and office of the Board member who is requesting the expense advancement or reimbursement. Receipts from group functions must include the names, offices, and job titles of all participants.
3. The date(s) of the official business on which the expense advancement or reimbursement will be or was expended.
4. The nature of the official business conducted when the expense advancement or reimbursement will be or was expended.

### Types of Official Business for Expense Advancements, Reimbursements, and Purchase Orders

1. Registration. When possible, registration fees will be paid by the District in advance.
2. Travel. The least expensive method of travel will be used, providing that no hardship will be caused to the Board member. Board members will be reimbursed for:
  - a. Air travel at the coach or economy class commercial airline rate. First class or business class air travel will be reimbursed only if emergency circumstances warrant. The emergency circumstances must be explained on the expense form and Board approval of the additional expense is required. Fees for the first checked bag will be reimbursed.

Copies of airline tickets and baggage receipts must be attached to the expense form.

- b. Rail or bus travel at actual cost. Rail or bus travel costs may not exceed the cost of coach airfare. Copies of tickets must be attached to the expense form to substantiate amounts.
  - c. Use of personal automobiles at the standard mileage rate approved by the Internal Revenue Service for income tax purposes. The reimbursement may not exceed the cost of coach airfare. Mileage for use of personal automobiles in trips to and from transportation terminals will also be reimbursed. Toll charges and parking costs will be reimbursed.
  - d. Automobile rental costs when the vehicle's use is warranted. The circumstances for such use must be explained on the expense form.
  - e. Taxis, airport limousines, ride sharing or other local transportation costs.
3. Meals. Meals charged to the School District should represent mid-fare selections for the hotel/meeting facility or general area, consistent with the maximum allowable reimbursement amount set by the Board. Tips are included with meal charges. Expense forms must explain the meal charges incurred. Alcoholic beverages will not be reimbursed.
  4. Lodging. Board members should request conference rate or mid-fare room accommodations. A single room rate will be reimbursed. Board members should pay personal expenses at checkout. If that is impossible, deductions for the charges should be made on the expense form.
  5. Miscellaneous Expenses. Board members may seek reimbursement for other expenses incurred while attending a meeting sponsored by organizations described herein by fully describing the expenses on the expense form, attaching receipts.

#### Additional Requirements for Travel Expenses Charged to Federal and State Grants

All Board member expenses for travel charged to a federal grant or State grant governed by the Grant Accountability and Transparency Act (30 ILCS 708/) must comply with Board policy 5:60, *Expenses*, and its implementing procedures. #### Policy Development

Anyone may propose new policies, changes to existing policies, or elimination of existing policies. Staff suggestions should be processed through the Superintendent. Suggestions from all others should be made to the Board President or the Superintendent.

A Board Policy Committee will consider all policy suggestions, and provide information and recommendations to the Board.

Further Board consideration will be given at a subsequent meeting(s) and after opportunity for community input. The policy will be on public display for 30 days. The adoption of a policy will serve to supersede all previously adopted policies on the same topic.

The Board of Education policies are available for public inspection in the District's main office during regular office hours or on the District Webpage. Copy requests should be made pursuant to Board policy 2:250, *Access to District Public Records*.

#### Board Policy Review and Monitoring

In the absence of Board of Education policy, the Superintendent is authorized to take appropriate action.

### Suspension of Policies

## 2:220-E4 Exhibit - Open Meeting Minutes

[PRESSPlus1](#)

### Meeting Minutes Protocol

1. Meeting minutes are the permanent record of the proceedings during a Board of Education meeting. All Board action must be recorded in the minutes; thus, the minutes focus on Board action.
2. The minutes only include information provided at the meeting. Information may not be corrected or updated in the minutes unless it was discussed at the meeting.
3. Minutes include a summary of the Board's discussion on an agenda topic; the minutes do not state what is said verbatim. The minutes do not repeat the same point made by different individuals. If appropriate, the minutes include a brief background and an explanation of the circumstances surrounding an issue discussed. The minutes do not include the names of Board members making specific points during discussion. Requests from individual Board members to include their vote or an opinion in the minutes [PRESSPlus2](#) are handled according to Board policy 2:220, *School Board Meeting Procedure*.
4. The minutes include the topic of reports that are made to the Board including reports from the Superintendent or a Board committee. Written reports are filed with the minutes but do not become part of the minutes.
5. The minutes note when a member is not present for the entire meeting due to late arrival and/or early departure.
6. Although items may be considered by the Board in a different order than appeared on the agenda, items in the minutes are generally recorded in the same order as they appeared on the agenda. When a meeting is reconvened on a different date, the minutes must describe what happened on each meeting date.
7. The minutes should be recorded in an objective but positive/constructive tone. Answers and explanations, rather than questions, are recorded. Writing style, including choice of words and sentence structure, is at the discretion of the individual recording the minutes.
8. The minutes include individuals' names who speak during the meeting's public participation segment as well as the topics they address. All written documents presented at a Board meeting are filed with the minutes but do not become part of the minutes.
9. The following template generally governs meeting minutes.

### 2:220-E9 Exhibit - Requirements for No Physical Presence of Quorum and Participation by Audio or Video During Disaster Declaration

Use this exhibit to document the Board's and/or its committee(s)'s (5 ILCS 120/1.02) processes to comply with the requirements of the Open Meetings Act (OMA) when a board and/or its committee(s) must meet during a disaster declaration related to a public health emergency/concern, and the meeting will have no physical presence of a quorum and participation by audio or video. [PRESSPlus1](#)

**Note:** If a Board committee uses this exhibit, replace Board President, Vice President, and Superintendent with the appropriate committee leaders.

#### Consult the Board Attorney for guidance.

#### Documentation of OMA Requirements for Board Members to Participate in a Meeting with No Physical Presence of Quorum

The Governor or the Director of the Ill. Dept. of Public Health has issued a disaster declaration related to a public health emergency because of a disaster as defined in 20 ILCS 3305/4, and all or part of the jurisdiction of the Board is covered by the disaster area. 5 ILCS 120/7(e)(1). **Note:** OMA uses "public health concerns," but the Ill. Emergency Management Agency Act (IEMA) uses "public health emergency;" this exhibit matches the IEMA term because it governs disaster declarations.

*Insert Disaster Declaration or Executive Order number [ ] or attach to this document.*

The Board President or, if the office is vacant or the President is absent or unable to perform the office's duties, the Vice President, or if neither the President nor Vice President are present or able to perform this determination, the Superintendent (5 ILCS 120/7(e)(2) and 140/2(e)) signs below that the following three **Steps** were executed by:

**Step 1.** Determining whether the meeting is a bona fide emergency (5 ILCS 120/7(e)(7)) (*check Yes or No, below*):

Yes; it is an emergency meeting, and I:

- a. Notified the Board members and the public, including any news medium which has filed an annual request for notice of meetings as soon as practicable, but in any event prior to the holding of such meeting pursuant to 5 ILCS 120/2.02(a) and 120/7(e)(7)(A);
- b. Stated the nature of the emergency at the beginning of the meeting; and
- c. Provided the Superintendent or Board Secretary the resources necessary during the meeting to keep a verbatim record of the meeting, **for both open and closed**, and managed it the same way that the Board complies with the verbatim recording requirements for closed meetings (see exhibit 2:220-E1, *Board Treatment of Closed Meeting Verbatim Recordings and Minutes*).  
**Note:** In this situation, a verbatim recording is not limited to closed meetings only.
- d. Move to Step 2, below.

No; it is a regular or special meeting, and I:

- a. Ensured that the Board provided 48 hours' notice of the meeting to all Board members, to any news medium on file in the District that have requested notice of meetings pursuant to 5 ILCS 120/2.02(a), and to members of the public by posting it on the District's website. 5 ILCS 120/7(e)(7). **Note:** 5 ILCS 120/7(e) does not have the "if any" exception for school boards that do not have websites. Consult the Board Attorney regarding alternate ways to communicate notice of a meeting when the District does not have a website and a Disaster Declaration or Executive Order has been issued.

*Insert meeting date and time, and a link to the meeting notice or attach a copy of the notice to this document.*

b. Move to Step 2, below.

**Step 2.** Determining whether it is practical, prudent, or feasible for any in-person attendance at the regular meeting location (5 ILCS 120/7(e)(2)). (*check Yes or No, below*):

Yes; in-person attendance is practical, prudent, or feasible, and I:

- a. Ensured that at least one Board member, the Board Attorney, or the Superintendent was physically present at the regular meeting location (5 ILCS 120/7(e)(5)), and
- b. Verified that members of the public who were present could hear all discussion and testimony and all votes of the members of the Board. 5 ILCS 120/7(e)(4).
- c. Move to Step 3, below.

No; in-person attendance is not practical, prudent, or feasible, and I:

- a. Made a written determination referring to the specific Executive Order or Disaster Declaration citing the public health concern/emergency that applies to the Board and the meeting. 5 ILCS 120/7(e)(1) and (2).
- b. Included the written determination made in letter a., above, on the Board's published notice and agenda for the alternative arrangements for the meeting. 5 ILCS 120/7(e)(7)(A).
- c. Offered the alternative arrangements to the public by offering a telephone number or a web-based link. 5 ILCS 120/7(e)(4).

*Insert a link to the meeting notice or attach a copy of the notice or refer to above if already attached to this document (see above).*

*Include this written determination on the Board/committee's published notice and agenda for the audio or video meeting, and in the meeting minutes.*

d. Move to Step 3, below.

**Step 3.** During the meeting, I:

Directed the Recording Secretary to, in addition to the requirements for open meetings under OMA, also keep verbatim record of the open meeting by recording it and making it open and available to the public under all provisions of OMA. 5 ILCS 120/7(e)(9). **Sample text follows below in the subhead Report to the Public Following the Board's Meeting with No Physical Presence of Quorum.**

Read my written determination referring to the specific Executive Order or Disaster Declaration citing the public health concern/emergency that applies to the Board and the meeting and directed the Recording Secretary to include it in the meeting minutes.

Ensured that any interested member of the public has access to contemporaneously hear all discussion, testimony, and roll call votes. 5 ILCS 120/7(e)(4).

Requested the Recording Secretary to enter into the appropriate minutes of the Board that each Board member participating in the meeting, wherever their physical locations:

1. Announced themselves present (5 ILCS 120/7(e)(3)), and
2. Verified that they could hear one another and all discussion and testimony. Id.

See exhibits 2:220-E3, *Closed Meeting Minutes* and/or 2:220-E4, *Open Meeting Minutes*.

*Attach to this document copies or information about where these minutes may be found.*

Announced and considered each Board member participating in the meeting present at the meeting for purposes of determining a quorum and participating in all proceedings (5 ILCS 120/7(e)(8)) and directed the Recording Secretary to reflect it in the minutes (best practice for transparency).

Conducted all votes by roll call, so each Board member's vote on each issue could be identified and recorded (5 ILCS 120/7(e)(6)), and ensured that the Recording Secretary entered all votes as **Roll Call Votes** (Use exhibit 2:220-E4, *Open Meeting Minutes*, but ensure all votes are recorded as roll call votes pursuant to the example below):

Report to the Public Following the Board's Meeting with No Physical Presence of Quorum

*The text below may be used for the actual report.*

The Board of Education met on [*insert date*] with no physical presence of quorum to conduct its business.

The verbatim [*circle one*] audio | video recording of this meeting is available to the public under all provisions of OMA and will be destroyed pursuant to 5 ILCS 120/2.06(c)(no less than 18 months after the completion of the meeting recorded but only after: (1) the Board approves the destruction of the particular recording; and (2) the Board approves minutes of the meeting that meet the written minutes requirements of OMA). 5 ILCS 120/7(e)(9).

*Insert links to the verbatim recording of meeting here or attach to this document.*

**Note:** Consult the Board Attorney for guidance on the destruction of a verbatim recording of an open meeting without the physical presence of a quorum. While 5 ILCS 120/2.06(c) refers to the process for destroying closed session verbatim recordings, 5 ILCS 120/7(e)(9), applies that process for destroying closed session verbatim recordings to the destruction of the verbatim open session recordings that are required when a board determines it is necessary for it to meet without the

physical presence of a quorum due to a public health emergency.

Transportation on other than established bus routes is the responsibility of the parent(s)/guardian(s).

#### Students with a Disability

The District accepts for part-time attendance those children for whom it has been determined that special education services are needed, are enrolled in nonpublic schools, and otherwise qualify for enrollment in the District. Requests must be submitted by the student's parent/guardian. Special educational services shall be provided to such students as soon as possible after identification, evaluation, and placement procedures provided by State law, but no later than the beginning of the next school semester following the completion of such procedures. Transportation for such students shall be provided only if required in the child's individualized educational program on the basis of the child's disabling condition or as the special education program location may require.

#### Extracurricular Activities, Including Interscholastic Competition

A nonpublic school student is eligible to participate in interscholastic competition, provided his or her participation adheres to the regulations established by any association in which the School District maintains a membership, and non-athletic extracurricular activities. A nonpublic student who participates in an extracurricular activity is subject to all policies, regulations, and rules that are applicable to other participants in the activity.

#### Assignment When Enrolling Full-Time in a District School

Grade placement by, and academic credits earned at, a nonpublic school will be accepted if the school has a Certificate of Nonpublic School Recognition from the Illinois State Board of Education, or, if outside Illinois, if the school is accredited by the state agency governing education.

A student who, after receiving instruction in a non-recognized or non-accredited school, enrolls in the District will: (1) be assigned to a grade level according to academic proficiency, and/or (2) have

academic credits recognized by the District if the student demonstrates appropriate academic proficiency to the school administration. Any portion of a student's transcript relating to such instruction will not be considered for placement on the honor roll or computation in class rank.

Notwithstanding the above, recognition of grade placement and academic credits awarded by a nonpublic school is at the sole discretion of the District. All school and class assignments will be made according to Board policy 7:30, *Student Assignment and Intra-District Transfer*, as well as administrative procedures implementing this policy.

When appropriate, such evidence may be transferred to law enforcement authorities.

#### Notification Regarding Student Accounts or Profiles on Social Networking Websites
