President Schriemer called to order at 5:30 pm.

I. Audience - No members of the public were in attendance.

II. District Improvement Plans - Gail Vandaff gave an in depth explanation of our plan and the processes we go through to implement. She discussed what the state requires and how we implement those requirements. There was a lengthy discussion about the scores that are reported and what they mean.

III. Purchase Card Discussion - Schriemer started the discussion explaining the history of our processes. Goss then explained a more in depth look at the history. Goss stated it wasn't a requirement for the board to approve, it has historically been done for transparency reasons. The board has asked the financial reports and the personnel reports moved to a non board action item.
