Re: Interlocal Agreement with the City of Coppel

The City of Coppel has agreed to share fifty percent (50%) of the cost of renovating Lesley Field (behind Coppel Middle School West) which includes installing artificial turf and permanent striping for football, soccer, and lacrosse. The City will pay up to \$500,000 as their portion of the renovation.

In exchange for sharing in the cost of the field renovation, the City will have the right and opportunity to utilize the field and schedule "City sanctioned" events when the school district is not utilizing the field, including weekends. Their use will be restricted to the City sanctioned leagues such as football, soccer, and lacrosse.

While not anticipated, should either the City or CISD terminate this agreement for any reason as provided in the Interlocal Agreement, CISD would reimburse the City for their portion of the initial cost, prorated over a ten year period.

The City will be responsible for all supervision and security during their events and will reimburse CISD for the actual cost of electricity for lights on a monthly basis.

Actual construction is scheduled to begin in April, 2011 and will be complete before all fall sports begin.

The proposed Interlocal Agreement was drafted and negotiated by the Law Offices of Robert E. Luna.

Recommendation: That the Coppel ISD Board of Trustees approve the Interlocal Agreement with the City of Coppel as it relates to the renovation and shared use of Lesley Field at the March 28, 2011 Board Meeting.
