

McMurry University

CTE Department

Purpose of Partnership

- To supplement the current partnership with Laredo College to assist students who have not achieved “college readiness” standards.
- McMurry, a private institution does not require TSI to enroll in college courses.
- THECB allows IHE’s(Laredo College) to accept successful completion of college-level coursework as a “college readiness” indicator.
- Laredo College and United ISD have reached an agreement to accept successful completion of History 1301 as a college readiness standard to continue their coursework towards their associates degree.

Partnership Highlights

- Accredited by SACSCOC
- Courses are a part of the Texas Common Core Numbering System
- \$200 flat fee for any course
- No books fees
- Asynchronous or Face to Face options available
- Works with UISD Adjuncts to deliver face to face instruction
- No minimum or maximum number of students per section
- McMurry will work with UISD depending on the needs per cohort
- Numerical Grades are provided.
- Counselor/Administrator/Adjuncts/Facilitators are granted access to their online portal.

Cost Analysis

Students pending TSI ELAR readiness by the end of freshman year will be enrolled based on Counselor/Admin recommendation using their high school and college academic status.

	Class of 2026 To begin Spring 2024 (#s will decrease after STAAR Eng 2 results)	Class of 2027 To begin Fall 2024 (students have the remainder of the year and summer to test)
BLSIA	59	70
LBJHS	54	75
USHS	28	53
AHS	N/A	34
UHS	N/A	42
Total	\$28,200	\$54,800

Additional Benefits

- McMurry can be used as a supplemental avenue for every cohort.
 - Ex. senior or junior level students pending 1-2 courses are able to enroll asynchronous with the assistance of a UISD facilitator to complete their coursework.
- McMurry may be used to supplement areas of need that Laredo College might not have available for staffing. Ex. Art 1301
- Laredo College will increase their enrollment with students that have achieved college readiness through this partnership.
