Approval to Purchase Security Director Car

Mr. Andy Cantrell

Recommendation to purchase a Toyota Camry from Carlock Toyota. Oxford Toyota was approximately \$108 cheaper on their quote, however, we believe our local dealer’s bid for the car is the “lowest and best” bid due to documented savings for mileage to pick up the vehicle, warranty maintenance, and employee time. Section 31-7-13(b) authorizes district’s to purchase vehicles from a local dealer.
