### **HHS Department Spotlight – Culinary Arts**

Chopped is a competition for the Culinary and Advanced Culinary classes to showcase the skills they have learned thus far throughout the year. There are two rounds of competition, appetizer/entree and dessert. In the first round, five kitchens compete during two days and each day's winner advances to the dessert finale. The students do not know the secret ingredients until they arrive to class that day. At the end of their 60 minute prep time they present their food items to a panel of judges. At the end of the competition there is one overall winner of each class. Students are graded by a group of celebrity judges including: Mr. Hannah, Mr. Chirhart, Mrs. Chilton, Coach Moss, Coach Spencer, and Coach Ridder.
