June 8, 2011

Dear Mr. Mike Brown,

Attached please find the SFY12 grant Application from Duluth Public Schools/Duluth Head Start. We have included our Policy Council minutes from June 7, 2011, approving the grant application submission. Governing Board approval is expected to be available later in June following our presentation of this application to the Governing Board/Education Committee on June 14, 2011. Their recommendations are forwarded to the School Board for acceptance the following week. We will submit that documentation as soon as it is available in the School Board minutes.

You will note we have included a clarification for Section 3 on a separate page as the comments box was still not operable after we discussed our problem with it. I hope that is satisfactory.

Thank in advance for your consideration of this application. We look forward to hearing from you soon.

Sincerely,

Pam Rees
Director
Duluth Head Start/Duluth Public Schools
