June 23, 2025**

1. Board Goal:

DOMAIN 1: High Quality Curriculum And Effective Instruction

DOMAIN 2: Effective, Well Supported Staff

DOMAIN 3: Positive School Culture; Safety and Security

2. Background:

UCISD sought to involve stakeholders in developing our mission, vision, and beliefs to ensure these guiding statements reflect the community's shared values and aspirations. It was the intention of the district for this collaborative approach to foster unity, align educational goals with community needs, and enhance commitment to student success. By engaging stakeholders we desire to build trust and ensure that the district's direction is both inclusive and purposeful.

3. Process:

Two Community Envisioning Meetings of stakeholders gathered together to collaboratively work on district mission, vision, and belief statements. The product of their efforts was shared with the school community for feedback. Adjustments were made according to the feedback received and the updated statements were sent back to the committee for review. Hearing no objection to the updates, the statements are being presented for Board approval.
