

BUILDINGS/GROUNDS & TRANSPORTATION REPORT

Date: June 20, 2022
To: Board of Education
From: Jeff Stauder

BUILDINGS/GROUNDS

Facilities Committee

The Facilities Committee met on June 15th.

Project Updates:

Oil and chip of the 8th street road will be done on June 24th.
Resurfacing of the Jr. High parking lot is scheduled for the 2nd week of July.
New doors at the Jr. High are scheduled for the 22nd of June.
The new roof above the stairwells, looks to be mid July.
The chiller at the High School has not been scheduled yet.

I will have another update at the July meeting.

Building Maintenance:

The custodians have all started their summer cleaning and waxing and the maintenance staff are busy making repairs for the upcoming school year.

Transportation

The new Activity bus should be arriving the 1st week of August and our new lift bus will not arrive until December due to the increase in build time.

I will be rearranging bus routes and moving drivers around over the next month and will update the Board at the July meeting of any route changes.
