Re: High School Principal Report October 2022

Greetings from HHS!

We completed one of the busier times of the school year in Homecoming week this past week at HHS. We feel like it was a positive experience overall for our students and our community as a whole. There were a lot of events and activities going on and the school pride and school spirit was evident throughout the week. We are looking forward to getting back into more of our routine this week and this month for school.

Mrs. Dorsey is hard at work in getting used to her new role as our High School academic specialist and has put together this month's newsletter for October. Mrs. Dorsey has highlighted much of what is coming up in the next weeks at the High school with some great opportunities for our students and parents.

This month we will be focusing on our PBIS theme of Responsibility. The team has created BINGO cards for teachers to each sign off on once they recognize a student being responsible. When the student gets their BINGO card filled out they can turn their card into the front office to be recognized and rewarded for their behavior!

Looking forward to a great October!

Matt Holtry
