Bylaws of the Board

Formulation, Adoption, Amendment and Deletion of Policies

Within the context of current law, the District shall be guided by Board-adopted written policies that are given appropriate distribution and are accessible to staff members, parents, students, and community residents.

Legally referenced policies contain provisions from federal and state statutes and regulations, case law, and other legal authority that together form the framework for local decision making and implementation. These policies are binding on the District until the cited provisions are repealed, revised, or superseded by legislative, regulatory, or judicial action.

No policy or regulation, or any portion thereof, shall be operative if it is found to be in conflict with applicable law.

If any portion of a policy or its application to any person or circumstance is found to be invalid, that invalidity shall not affect other provisions or applications of policy that can be given effect without the invalid provision or application; and to this end the provisions of this policy manual are declared to be severable.

Policies and policy amendments shall be recommended for the Board's consideration by the Superintendent.

The Board shall designate one copy of the policy manual as the official policy manual of the district. The official copy shall be kept in the Superintendent's Office as well as accessible through the district web site. The Superintendent or designee shall be responsible for its accuracy and integrity.

Local policies may be adopted or amended by a majority of the Board at any regular or special meeting, provided that Board members have advance written notice of the proposed change and that it has been placed on the agenda for such meeting.

Local policies become effective upon Board adoption or at a future date designated by the Board at the time of adoption. Policy proposals and suggested amendments to, revisions of, or deletions of existing policies shall normally be submitted to all members of the Board of Education by the Superintendent in writing prior to a regular Board meeting in which such proposed policies, amendments, revisions or deletions shall be read and discussed. Except for emergency situations, policies will be adopted, amended, or deleted after consideration at two regular meetings of the Board.

After Board review of legally referenced policies and adoption of local policies, the new material shall be incorporated into the official policy manual and into other localized policy manuals maintained by the District. If discrepancies occur between different copies of the manual distributed throughout the district, the version contained in the official policy manual shall be regarded as authoritative.
