Re: Approve Change of Employment - Yessenia Esquivel

Recommendation:

It is the recommendation of the Superintendent to approve the change of employment for Yessenia Esquivel to 1.0 paraprofessional effective February 27, 2026 at a salary of \$23,399.00 prorated for days worked.

Background Information:

Yessenia Esquivel joined our school district in November as a 0.5 FTE paraprofessional in the preschool for all program. She has been able to change her schedule to move to 1.0 FTE paraprofessional, filling a need created with the movement of staff in December. Yessenia will be full time in the preschool for all program.
