RE: 2025 - 2026 Class Size Enrollment Update
Date: September 8, 2025

Below are the current class enrollments for the 2025-2026 school year as of September 8, 2025.

Administration and staff work collaboratively to create sections that meet the scheduling needs of our students. As new students enroll, records are reviewed to help place students in the appropriate classes. Overall, the majority of sections are within the Board guidelines.

In 1st grade, there are 3 sections over Board guidelines. One of these sections is co-taught. The other two sections receive additional aide support during Flex Math and Flex Reading, as well as math and writing blocks. Furthermore, our English Language Specialists support these two classrooms. We continue to monitor the needs of these classrooms.

In 3rd Grade, 3 sections are above Board guidelines. As previously shared with the Board, instructional planning has led to breaking this grade level into 5 instructional groups for foundational skills. Seven teachers are spread out over the five groups, with two sections being co-taught with a reading specialist. In addition to this support, we will also have consistent enrichment support for the four classes available for ELA and Math so that we can better focus on individual students' needs. Mrs. Bedell, our Learning Enrichment Specialist will be working with the four 3rd grade teachers to provide enrichment for students in each class, and she will also pull enrichment groups for both reading and math throughout the year.

	Section 1	Section 2	Sections 3	Section 4	Section 5	Total	Guideline
PreK AM	11	14				25	15
PreK PM	8					8	
Kindergarten	17	16	17	16	16	82	20
1st Grade	21	21	20	21		83	20
2nd Grade	18	20	20	18		76	24
3rd Grade	24	26	25	25		100	24
4th Grade	22	22	22	21		87	25
