| 01/12/26 & 01/13/26 | R.Creel/Training |
| | |
| | |

Principal's General Narrative:

The spring semester is moving right along. We recently had seven students move out of town lowering our enrollment to a two year low. The week of 2/2/2026 we had four new students enroll at Jones Elementary. We are still hopeful that some of our students that moved away will come back.

We sent out sixteen attendance letters to parents informing them of how many days their child has been absent. Most of the students have not had anymore issues with being absent, but there are still a couple of families that still have attendance issues.

The fourth grade and fifth grade students participated in a STAAR Field test on 2/03/2026. We did have technical difficulties and several students were not able to complete the test.

The third, fourth, and fifth grade students will take their spring benchmark test on February 17th, 18th, and 19th.
