Dr. Kent Mutchler, Superintendent
School District #304
227 North Fourth Street
Geneva, Illinois 60134

Dear Dr. Mutchler,

It is my pleasure to inform you that School District #304 has completed the Health Life/Safety Code for Public School (23 Illinois Administrative Code Part 180) as reported by Ken Cameron and Brad Jarman.

Enclosed is your final Annual Status Report that will be forwarded to the State Board of Education on July 29, 2011. We ask that you share the Annual Status Report with your Local School Board.

All future visits will use a new checklist that has changed requirements for several Health Life/Safety items. As soon as this information becomes official I will be in contact with your district to make sure everyone is informed so that you may proceed to implement any changes that will be required. As a part of next years HLS visits we will be doing a number of unscheduled visits to your facilities to make sure that safety is important every day, not just the day of the annual ROE HLS visit.

Thank you for your support and cooperation,

Ken Cameron
Health Life/Safety Coordinator
