### Admission Procedure

All students must register for school each year on the dates and at the place designated by the Superintendent. Parents/guardians of students enrolling in the District for the first time must present:

1. A certified copy of the student's birth certificate. If a birth certificate is not presented, the Superintendent or designee shall notify in writing the person enrolling the student that within 30 days he or she must provide a certified copy of the student's birth certificate. A student will be enrolled without a birth certificate. When a certified copy of the birth certificate is presented, the school shall promptly make a copy for its records, place the copy in the student's **permanent** ~~temporary~~ record, and return the original to the person enrolling the child. If a person enrolling a student fails to provide a certified copy of the student's birth certificate, the Superintendent or designee shall immediately notify the local law enforcement agency, and shall also notify the person enrolling the student in writing that, unless he or she complies within 10 days, the case will be referred to the local law enforcement authority for investigation. If compliance is not obtained within that 10-day period, the Superintendent or designee shall so refer the case. The Superintendent or designee shall immediately report to the local law enforcement authority any material received pursuant to this paragraph that appears inaccurate or suspicious in form or content.
2. Proof of residence, as required by Board Policy 7:60, *Residence*.

3. Proof of disease immunization or detection and the required physical examination, as required by State law and Board policy 7:100, *Health, Eye, and Dental Examinations; Immunizations; and Exclusion of Students*.

The individual enrolling the student shall be given the opportunity to voluntarily state whether the student has a parent or guardian who is a member of a branch of the US Armed Forces and who is either deployed to active duty or expects to be deployed to active duty during the school year period. Students who are children of active duty military personnel transferring will be allowed to enter: (a) the same grade level in which they studied at the school from which they transferred, if the transfer occurs during the District's school year, or (b) the grade level following the last grade completed.

### **Homeless Children**

Any homeless child shall be immediately admitted, even if the child or child's parent/guardian is unable to produce records normally required for enrollment. Board policy 6:140, *Education of Homeless Children*, and its implementing administrative procedure, govern the enrollment of homeless children.
