

HES Board Report
May 2018

Kindergarten

This month in math we will be reviewing and learning about 2D-3D shapes and graphing. Each class created a 3D shape museum then visited other rooms to compare data. Students also have been writing narratives on their own!

First Grade

Students will continue to work on writing and reading narratives and expository stories. They are also reviewing different parts of speech. In math and social studies the students will learn about charitable giving and saving money. First grade students have also been taking their final CBAs of the year.

Second Grade

In science students will be studying life cycle, parts of plants and flowers, animal habitats and much more! In Math we will finish with personal financial literacy. Then we will be reviewing what we have learned this year and stepping up to 3rd grade! In ELAR, students are going to be working on comprehending digital media, understanding the different parts of drama, and reviewing elements fiction and nonfiction. We will also review the parts of a narrative and expository pieces during Writing with various projects.

Counselor's Corner

Guidance lessons at HES during the month of April focused on the character trait of Perseverance. Using "real-life" examples, books, and songs, students learned that perseverance means to do their best, keep trying, and never give up when learning something new or working to meet a goal!

Congratulations to the following students who were chosen by their teachers as Perseverance Super Stars for doing a terrific job of showing perseverance in their classrooms. They were able to invite a special guest to join them for lunch at our "Shining Super Star Lunch" at HES. Way to Go!!

Rhythm Rascals

The Rhythm Rascals had their last performance on Friday, May 4th. They performed for the first grade at 10:30 in the gym. The program consists of songs from the 50s and 60s. The first grade students will have the opportunity to try out to become members of the Rhythm Rascals next year. We wanted to show the students what Rhythm Rascals is all about.

The group is finished for the year with this performance. They have had a wonderful year. We are so proud of them! We will be celebrating our year on Monday, May 7th with an end of year party.

SPECIAL ANNOUNCEMENT

We are proud to say that during our “HES is Changing Hearts” campaign we raised over \$3400! The support our school family has shown is much appreciated and is going toward an amazing person and their medical expenses. HES is so lucky to be such a great “family”!
