

STATE OF TEXAS
OFFICE OF THE GOVERNOR

A Message from the Governor:

We have no higher priority — no greater responsibility — than to provide young Texans with the knowledge and skills to have successful lives and lead Texas into the future. Across our great state, human resources professionals play a vital role in ensuring our districts fulfill this fundamental mission.

Human resources professionals are responsible for implementing effective practices for the hiring of quality staff to teach young Texans and keep schools running smoothly. They serve the needs of students, teachers and administrators, creating a healthy environment in the best interest of the students.

I commend all of our dedicated human resources professionals for the important role they play in our educational system.

Therefore, I, Rick Perry, Governor of Texas, extend best wishes to everyone observing:

Texas Education Human Resources Day

October 10, 2012

Sincerely,

Rick Perry
