May 2024

Uvalde CISD and SFE, work together to provide our future leaders the nutritional fuel to be ready to learn and reach their highest potential. Thank You to the entire Uvalde CISD Team, as we work to feed the students we love!

Uvalde CISD believes that ALL STUDENTS deserve, fresh and delicious meal options to enjoy.

We had an eventful May with several caterings, a career day, and getting set up for our Summer Feeding programs

Our first catering that took place in May was for the Award Ceremony.

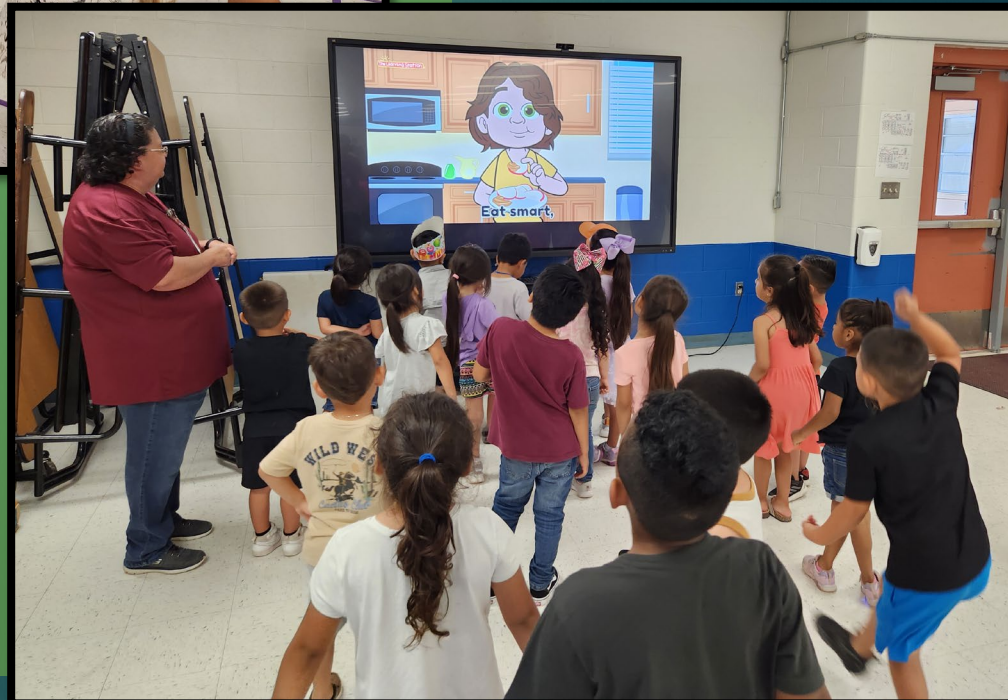

For this event, we prepared a homemade Tomato and Basil bruschetta on garlic basted French bread crustinis for the appetizer, a homemade chicken cordon bleu with oven roasted garlic asparagus and grape tomatoes for the entrée and a nice slice of chocolate cake with a raspberry sauce for dessert.

We were invited to participate in Dalton Elementary Career day. We put together a small little bit to help kids identify unhealthy and healthy foods, answered questions, and tried to just have some fun with them. Our presentation evolved from being informational to a dance party.

We were honored with the privilege to prepare a meal for the families from Robb Elementary. We prepared a nice little side salad, and then a loaded Italiano plate. Homemade lasagna, fresh chicken fettucine alfredo, buttered vegetables, and a garlic bread stick.
