This is to inform you that Mrs. Vera Sumpter was honored this year as a Texas Music Educator Distinguished Administrator. This honor is bestowed on only a few school administrators receive each year in the state of Texas. We would like to request the school board recognize her accomplishment.

Approved: _____

Mr. Samuel Mijares, Deputy Superintendent for Curriculum and Instruction

Distinguished Administrator Award

Texas Music Educators Association will recognize upper-level school administrators (e.g., superintendents, deputy superintendents, principals) across the state who have been instrumental in preserving quality music education programs on their campuses and in their districts. Given the state of education funding and the continuous struggle at all levels to keep quality fine arts education in schools, it is crucial that we take every opportunity to highlight the many successes present in numerous schools across our state. From districts with only a single elementary, middle, and high school to those with multiple 5A campuses, administrators have great influence over a program's opportunity for success.

Through this recognition program, TMEA has the opportunity at the state level to thank these individuals for their dedication and support. At the local level, this offers you another opportunity to share your success story with the community.

Texas Music Educators Association

in gratitude and with respect awards

Vera Sumpter
