Re: Purchase Recommendation for Replacement Tractors – 2013 Bond

As you know the replacement of custodial and maintenance equipment was included in the 2013 bond approved by the community. We would like to discuss the purchase of replacement tractors at the next Building and Site Committee Meeting on Monday, September 12, 2016.

Harry Lau, Administrator of Facilities and Operations is recommending the purchase of four John Deere replacement tractors from Bader & Sons, South Lyon, Michigan for a total cost of \$192,334.36.

This purchase would be made through the State of Michigan Mi-Deal Extended Purchasing Program and supported by the 2013 Bond Fund budget. I have attached the memo from Mr. Lau with additional information. Please feel free to contact me if you have any questions.
