### **Spring Sports Update**

Spring sports are well underway and doing their best to navigate this rainy spring season! Boys golf, baseball, softball, girls soccer, girls tennis, boys track and field and girls track and field all find themselves at the top half of the SEC Conference with championships on the line as we wind down the regular season and head into the postseason.

Chelsea will be hosting baseball districts, regional semifinals, and regional finals/quarterfinals (at EMU) in baseball; softball districts; and boys and girls track and field regionals with 14 teams competing.

### **Head Coaching Updates**

We are thrilled to welcome two new varsity coaches to Chelsea Athletics:

#### **Girls Basketball - Alison Mann**

Coach Mann, a 2003 Chelsea alumna, will lead the program after serving as both assistant coach and interim head coach last season with the varsity program.

#### **Boys Ice Hockey - Christopher Mason**

Coach Mason comes to Chelsea with a diverse hockey-playing and coaching background, most recently serving as a coach in the Little Caesars Hockey Organization.

We would like to thank all of those who served on the hiring committees for their insight and feedback during the interview process.

Go Bulldogs!

Respectfully,

Matt Cunningham, Athletic Director  
Chelsea School District
