RE: Textbook Adoptions

DATE: May 26, 2015

Attached are the recommended textbook changes for the 2015-2016 school year. These texts are replacing much older editions or reflect first-time purchases for new courses that were proposed and approved. These instructional materials accurately reflect current curriculum. These texts will be available for display for the requisite amount of time.

Please do not hesitate to contact me if you have questions.
