Recommendation for the Board of Education

Meeting: January 21st, 2025

Item: PCJH Bleacher Power Operation (Motors)

Recommendation: I recommend the Board of Education approve the quote by E.T. Paddock Enterprises, Inc. to repair the bleachers in the PCJH gymnasium. The main repair is the replacement of the four motors that move the bleachers in and out, which is quoted at \$18,820.00. For an additional \$2,384.00, the company will service all of the bleachers.

One of the motors is not working, and the motor and parts are no longer being manufactured. The company tried to replace it with a motor salvaged from another bleacher set, but that attempt did not work. All of the motors now need to be replaced to ensure they run at the same speeds.
