Re: Contractor Recommendation
2019 Tennis Court Reconstruction – Forest Lake Area High School
LE Project No: 12186103

Dear Mr. Martini:

Based upon our review of the bid results for the above referenced project, we recommend the apparent low bidder, Bituminous Roadways, be awarded the contract for the amount of \$233,625.00.

We have reviewed the scope of work and the construction schedule with Bituminous Roadways and they have accounted for all of the work items and are confident they can complete the work in the time specified. We also have experience working with Bituminous Roadways on similar projects in the past and found their overall performance, workmanship, scheduling, and quality control to be good. In addition, Bituminous Roadways has performed work for the Forest Lake Area School District recently for the pavement reconstruction work at Forest Lake Elementary School and this work was performed well, in accordance with the project plans and specifications.

If you have any questions, please do not hesitate to contact us at 651-481-9120.

Sincerely,
Larson Engineering, Inc.

Greg A. Buchal, PE
Project Manager
