Re: United I.S.D. Board Members Discretionary Funds

Date: December 12, 2008

The purpose of this memo is twofold. First, I wish to thank you for last years United Board Members Discretionary Fund allocation of \$15,000 for Salvador Garcia Middle School. The SGMS faculty and SBDM decide to order ceiling fans for each classroom. We also wanted to fix all broken blinds and replace those that could not be fixed. The U.I.S.D. maintenance department is currently making arrangements to install the ceiling fans. I did not find out until this year that the cost of the ceiling fans was \$7,442.82. (I was originally told they would cost \$20,000) I would have purchased other necessary supplies and materials if I knew there was a balance remaining.

Next, I hope that you would consider awarding SGMS another \$15,000 of discretionary funds for the 2008-09 school year. The science classes need new lab tables. Our current ones have been here since the school opened and are in bad shape. The same can be said of our office furniture and teacher's lounge furniture. Finally, any extra money can help to order more library books which we desperately need. All purchases would be contingent on administrative office approval, SBDM approval, and consultation with school faculty and staff.

Please feel free to contact me at Salvador Garcia Middle School at (956) 473-5003 if you have any questions or if I can assist you in any way. Thanks in advance for your continued support for our school.
