# Foreign Exchange Student Spotlight

**What inspired you to become a foreign exchange student?**

*He wanted to see another culture and see what is out there.*

**What was your first impression when you arrived?**

*He thought it was really beautiful in Oregon. He also noticed how nice people are here compared to the big city.*

**What are some of the biggest cultural differences you have noticed?**

*People talk a lot more to each other here about pretty much anything- there is a lot more small talk. He also thinks it is funny that everyone puts crackers in their soup.*

## Attendance Matters!

A safe average attendance rate is considered 90%. Safe in this context means that our students are at school consistently and can build positive relationships with both peers and adults as they learn to navigate the K-12 system. These relationships are critical in establishing healthy and helpful attendance habits early on.

Our school's average attendance goal is 95%.

Please know that a doctor's note is only required for an extended period of illness. We know that as our student's immune systems adjust to living and working with so many people outside of their family, there will be times when they have to stay home to recover from a cold or flu. Any questions about attendance or illness can be directed to the main office.

**NKNHS's Current Attendance Rate: 89%**

## Health Room Information

### Reasons to keep me home from school and what needs to happen before I can return

What is my symptom?	When should I stay home?	When can I return to school?
<b>Fever</b>	I have had a fever of 100.4°F (38°C) or higher in the last 24 hours.	If I have been fever-free for 24 hours without the use of fever-reducing medication and I am feeling better.
<b>Vomiting or diarrhea</b>	If I have vomited 1 or more times in the last 24 hours. If I have had 3 loose or watery stools in a day or if I may not make it to the toilet in time.	If I did not vomit in the last 24 hours and I am able to drink liquids and eat food. If I have not had diarrhea in the last 24 hours.
<b>New cough or trouble breathing</b>	If I have a new or persistent cough that interferes with my ability to participate in school activities, difficulty breathing or trouble catching my breath.	Once I am feeling better and my symptoms are improving for at least 24 hours. If my symptoms were due to asthma, please make sure that I have permission to use a rescue inhaler at school.
<b>Rash</b>	If the rash is new and undiagnosed by a health-care provider, is increasing in size, is draining and cannot be completely covered, or if I develop a fever.	If my rash has healed or I have been cleared for return by my health-care provider and any draining rashes are completely covered.
<b>Eye redness and drainage</b>	If I have new and unexplained eye redness without drainage, fever, eye pain, eyelid redness or vision changes.	Once my eye symptoms have gone away or I have been cleared for return by my health-care provider.

*If you don't know whether to send your child to school or have specific concerns regarding your child's health, contact your child's health-care provider, a local healthcare provider, or the school nurse.*

## Motivos por los que debo quedarme en casa y no ir a la escuela y qué debe suceder para que pueda volver

¿Cuál es mi síntoma?	¿Cuándo debo quedarme en casa?	¿Cuándo puedo volver a la escuela?
<b>Fiebre</b>	He tenido fiebre de 100.4 °F (38 °C) o más en las últimas 24 horas.	Si he estado 24 horas sin fiebre sin utilizar medicamentos para reducir la fiebre y me siento mejor.
<b>Vómitos o diarrea</b>	Si he vomitado 1 o más veces en las últimas 24 horas. Si he tenido 3 heces blandas o acuosas en un día o si es posible que no llegue al baño a tiempo.	Si no he vomitado en las últimas 24 horas y puedo beber líquidos y consumir alimentos. Si no he tenido diarrea en las últimas 24 horas.
<b>Nueva tos o dificultad para respirar</b>	Si tengo una tos nueva o persistente que interfiere con mi capacidad para participar en las actividades escolares, dificultad para respirar o problemas para recuperar el aliento.	Una vez que me sienta mejor y mis síntomas mejoren durante al menos 24 horas. Si mis síntomas provocados por el asma, por favor, asegurarse de que tengo permiso para utilizar un inhalador de emergencia en la escuela.
<b>Sarpullido</b>	Si el sarpullido es nuevo y no ha sido diagnosticado por un proveedor de atención médica, aumenta de tamaño, supura y no puede cubrirse por completo, o si tengo fiebre.	Si el sarpullido se ha curado o mi proveedor de atención médica ha autorizado a que vuelva y cualquier sarpullido que supure esté completamente cubierto.
<b>Enrojecimiento y secreción de los ojos</b>	Si tengo enrojecimiento de los ojos nuevo e inexplicable con secreción, fiebre, dolor en los ojos, enrojecimiento de los párpados o cambios en la visión.	Una vez que los síntomas en mis ojos hayan desaparecido o mi proveedor de atención médica autorice a que vuelva.

*Si no sabe si debe enviar a su hijo a la escuela o si tiene alguna duda específica sobre su salud, póngase en contacto con el proveedor de atención médica de su hijo, con un proveedor de atención médica local o con la enfermera escolar.*

## Medication

All prescription and over-the-counter (OTC) medication must be administered at the office by trained personnel.

Medication that you want your child to take during the school day has to be brought to the office in the original container (or we cannot take possession of the medication). Parents must complete the medicine administration form before trained personnel can dispense medication to a child. ALL OTC medications must be handled through the office (this includes cough drops). If you have any questions about medication administration and school, please contact our main office.
