Comments:

The best features of this activity were:

-everything> testing> tips> communication & listening> the reading & knowledge of being a mandated reporter> interaction with other staff, computers and the videos & tips.

Suggestions for improvement include:

-Paying attention to the child> nothing, it was great.

Other comments and reactions I wish to offer:

-We had great teamwork.

Reflection statements:

- Very informative, I enjoyed the interaction with other staff members.
- The workshop helped to teach the many different types of abuse that I need to identify as a Certified Mandated Reporter.
- It was very, very helpful; I learned that anyone can report child abuse.
- it taught not to take matters into my own hands, report it.
