College and Career Readiness:

College and Career Awareness courses are required during 7th grade which include Business and Family and Consumer Science. 7th grade students participate in a college and career readiness lesson taught by the counselors. They also get the opportunity to participate in Reality Town, which is a hands-on experience where students learn the reality of adulthood by making lifestyle and budget decisions. 7th and 8th grade students have the opportunity to enroll in more career and technical courses as electives. All 8th grade students meet individually with counselors to discuss their college and career goals. Their guardians are encouraged to attend. 7th and 8th grade students also get to spend a day at the career fair learning from community professionals about their career.
