Grant Proposal	Funding Agency	Amount Requested	Submission Date	Decision Date	Action Required
Arts4Learning Matching Funds	Meyer Memorial Trust	\$85,000	1/23/2014	7/15/2014	Permission to apply
The Investing in Innovation (i3) grant funding the implementation of Arts4Learning Lessons requires a 20% match of private funds. The largest donor has not fulfilled the pledged amount for the previous year. This request to the Meyer Memorial Trust (a donor in years 1 and 2) would ensure the matching requirement for i3 is met for the five year project.					
Culturally Responsive Pedagogy and Practices	Oregon Dept of Education	\$200,000	3/14/2014	3/24/2014	Permission to apply
This grant program is designed to create opportunities and support districts in closing the achievement gap for students of color through culturally responsive pedagogy. Beaverton will serve as the lead in a consortium of metro-area OLN districts, universities, and other partners.
