Principal's General Narrative:

Mr. Burks has worked to help find a temporary replacement for Nurse Fretz when she is out on maternity leave and believes that Mrs. Gaylene Frerich will be able to take on the task. The H1N1 flu vaccine clinic that was scheduled for late October has been postponed. Mrs. Davis has made over 130 additions of new books targeting students at all age levels.

The high school and junior high faculty, as always, would like to express our appreciation for the support and leadership from the school board, superintendent, and everyone in the central office. Thanks.

Frank Taylor & George Burks
