Dear Board Members,

On behalf of many students and their families, I offer a very heart felt "thank you" for your generous donation of \$500 to our Family Resource Center. It is a gift of great importance to our program. Every dollar will be spent wisely - helping to insure our students have access to their basic needs; food, clothing, hygiene items, and other items which help support their learning environment.

Our community is fortunate to have caring and compassionate organizations such as yours. Your generosity touches the lives of many families and helps to strengthen the well-being of many children.

There is much truth in the African proverb, "It takes a village to raise a child." We are so grateful to have you in our village. Together we can help nurture and guide future generations.

For your ongoing support of our community, I thank you. Your generosity throughout the years has put smiles in the hearts of many.

With sincere gratitude,

Linda Hershey
