**BACKGROUND INFORMATION**

As part of the process of developing the 2012-2013 budget, the administration recommended, and the board adopted at its August 2012 board meeting, a transportation vehicle plan that included placing \$40,000.00 in the 2012-2013 budget to be used for purchasing a new 1-ton vehicle.

The Levelland ISD administration opened sealed bid proposals on Thursday, December 6, 2012, for a 2013 1-ton pickup. The truck will be placed in the District's vehicle pool and used primarily by the high school agriculture department. The Request for Proposals (RFP) was advertised as required by Local Government Code 271.025 and Texas Education Code 44.031(g). Newspaper ad's were run on Wednesday, November, 21, 2012, and Sunday, November 25, 2012.
