Dear Dr. Kent D Mutchler,

Congratulations to you & your fine school district for earning the SchoolSearch™ 2013 Bright Red Apple™ Award for educational excellence! SchoolSearch™ chose your school district as one of only 78 Illinois School Districts (out of 866 school districts) to honor with the 2013 Bright Red Apple™ Award. **The award is based on five key factors: Academic Performance, Pupil/Teacher Ratio, Expenditure Per Pupil, Educational Level of Teachers, and Average Teacher Salary. Your school district is strong in all five family-favored categories!**

SchoolSearch™ is an educational research & consulting firm that publishes rankings of school systems. SchoolSearch™ works with major companies by providing their relocating families school information. **The award criteria are based on the primary areas of concern for most relocating families.** SchoolSearch™ is dedicated to helping families make informed school choices. While statistical factors are informative, SchoolSearch™ encourages families to visit schools of interest to them.

All school districts in Illinois are considered for the award & the award criteria are based on **objective factors** – on which all districts are judged fairly (2012 IL Report Card data source).

Enclosed is certification of your **SchoolSearch™ 2013 Bright Red Apple™ Award of excellence.** Let us know via e-mail (info@schoolsearchrankings.com) if you are in need of additional, complimentary certificates for building principals (if your district previously requested additional certificates, they are included with this letter). You may view & print the award recipient list & press release from our web site at www.schoolsearchrankings.com. **Congratulations & best wishes to you & your fine school district for striving to provide your students with an outstanding educational environment!**

Sincerely,

Dee Shugart, Ph.D.
President
