### **School Board Meeting Agenda Item**

Topic: Custodial Agreement for 2022-23  
Contact(s):  
Presenter(s): Karsten Anderson, Superintendent

#### Nature of Action Requested

Board Action  X  
Board Information or Report

#### Background Information

A tentative agreement with Custodial/Engineer/Maintenance Personnel has been reached for 2022-23. Highlights include:

- 2% cost-of-living adjustment
- \$1.00 increase in lead custodial pay
- Increases in differentials including boiler pay and boiler rotation differentials

The agreement is about \$23,000 over budget. However, negotiators and the Superintendent believe the increased cost is justified because of included incentives for boiler pay and boiler rotation differentials.

A clean copy of the agreement is included in the packet and a redline version is included as an extra.

#### Recommendation

I move to approve the Custodial/Engineer/Maintenance Personnel agreement for 2022-23 as presented.
