

**Gull Lake Virtual Partnership
GLVP Catalog 2026-2027
Addendum**

We will add the following course to our 2026/27 catalog that was previously approved and offered for the 2025/26 school year

**Food Fun 3-5 - GL | **

Join us on a tasty journey as we explore the five main food groups! We will discover fruits, vegetables, grains, proteins, and dairy through fun activities, games, and even cooking projects. Students will learn what makes a balanced plate and how to choose healthy foods that fuel their bodies. They will learn how to follow recipes and possibly even create their own. Get ready for a deliciously fun time full of surprises! This online course provides an engaging learning journey filled with interactive assignments, quizzes, and activities.

Elementary | Non-Essential | Full Year | Platform: GLOBE | This course can only be taken once
