Illinois Valley High School Attendance and Tardy Policy

12/1/2015

Parents and/or guardians have the responsibility to send their child to school on a consistent basis. Revised Statutes, **ORS 339.030**, *“Every pupil who has not completed the 12th grade and is between the ages of 7 and 18 years, is required to attend school during the entire school year. Students have the responsibility to report to school and classes on time and be prepared to learn. Irregular attendance is defined as eight (8) unexcused absences in any four week period. Irregular attendance will generate contact from resident school personnel. Parents should speak directly to the resident school staff to resolve attendance issues. Absences include full day, partial day or selected class period absences.”*

If students are not attending school on a regular basis, it becomes extremely difficult to keep up with the coursework. Students who are missing **8 or more** days (that are not excused by a doctor) will from this point on be subject to school discipline.

Tardy Policy

The staff and Administration at Illinois Valley High School expect **ALL** students to be in class and to be on time every day with materials out and ready to learn. In order to pursue the excellence we seek, it is imperative to have this be our common practice. Students at Illinois Valley High School have ample passing time as well as a lunch and two breaks during the day.

Infractions for Unexcused Tardies

- **3rd, 5th, and 7th Tardies**.....Lunch Detention
- **9th and 11th Tardies**.....In School Suspension
- **13th + Tardies**.....Parent and student meeting with Administration for additional consequences.
- Additional Consequences may be extra lunch detention, In School Suspension, Out of School Suspension, revocation of ability to park on campus, or behavior contract.

If you have any questions or concerns please feel free to contact Tanner Smith Vice Principal at Illinois Valley High School (541) 592-2116.
