(LOCAL) Policy Comparison Packet

This packet is generated by an automated process that compares the updated policy to the district's current policy as found in TASB records.

In this packet, you will find:

- Policies being recommended for revision (annotated)

- New policies (not annotated)

- Policies recommended for deletion (annotated in PDF; omitted in Word)

Annotations are shown as follows.

- *Deletions* are shown in a red strike-through font: ~~deleted text~~.

- *Additions* are shown in a blue, bold font: **new text**.

- Blocks of text that have been *moved* without alteration are shown in green, with double underline and double strike-through formatting to distinguish the text's destination from its origin: ~~moved text~~ becomes <u>moved text</u>.

- *Revision bars* appear in the right margin, as above.

Note: While the annotation software competently identifies simple changes, large or complicated changes—as in an extensive rewrite—may be more difficult to follow. In addition, TASB's recent changes to the policy templates to facilitate accessibility sometimes makes formatting changes appear tracked, even though the text remains the same.

For further assistance in understanding policy changes, please refer to the explanatory notes in your Localized Policy Manual update packet or contact your policy consultant.
