#### Background Information

Beginning on September 21<sup>st</sup>, a summary of the Implementation of Education Plan is will be included as an attachment. Other updates include:

Non-Public Schools	Karsten and other administrators discussed issues related to our work with non-public schools, including Title programs, special education services, nursing services, transportation services, and purchasing of textbooks, etc.
In-Person Board Meetings	In September, we will investigate options for conducting in-person and/or hybrid board meetings. We are considering a large space like Hovda Hall but need to figure out how to handle feedback and resolve potential conflicts. An earlier test was postponed due to Superintendent Anderson's illness.
