

Construction Update

October 13, 2008

1. Stadium turf is holding up well. We will add additional rubber to field if needed in 4 to 6 months.
2. Steel Stadiums will begin the bleacher addition work on the visitor side of Bulldog stadium on November 10th.
3. The new dressing room additions for the field house at Bulldog stadium will begin the week of November 10th. Steel for project has been ordered.
