

Morris Area High School Board Report
Bill Kehoe, High School Principal
December 18th for the December 22nd Meeting

- Ms. Asche organized the annual 8th grade ski trip to Andes Tower Hills. This trip took place December 17th.
- Ms. Maras's Personal Finance class coordinated the *"Stuff the Bus"* event that took place to assist the local toy drive happening in Stevens County. They gathered the toy donation boxes at 50+ businesses and assisted the Morris Area Women of Today with setup for the upcoming toy drive. They are doing this project in conjunction with the "giving" unit in their Personal Finance class.
- December 23rd is our last day before break and it is an early dismissal. During the afternoon I will be visiting with departments about curriculum needs and the English department will also be updating their curriculum maps with the new standards.
- Congratulations to Kristine Liljenquist. Ms. Liljenquist is the recipient of the 2025 STAR Award from the Minnesota Council on the Teaching of Languages and Cultures (MCTLC), a leading professional organization for language educators. This honor recognizes excellence in the areas of Study, Travel, Achievement, and Recognition of Professionalism, highlighting her ongoing commitment to professional growth, instructional excellence, and leadership within the field of world language education.
