Background Information:

- Place 6 was vacated on December 20, 2025, 8 days after the Board President received the resignation.
- Following the Executive Session that took place during the regular board meeting on January 22, 2026, the board president and superintendent were charged with developing a process to consider appointing an individual to fill the vacant Place 6 board seat until the next trustee election in November 2026.
- Trustees voted at their February 25, 2026 Regular Meeting to approve a process by which Keller ISD residents could apply to be considered for appointment to the board. Following the closure of the application period, the trustees reviewed applications and conducted interviews with selected individuals.

Administrative Considerations:

- As the Board was unable to appoint an individual to fill vacant Place 6 Board seat by June 16, 2026, the Board is now required to call for a special election in November 2026 to fill Place 6 for the remainder of that term.
