### **Board Member Development**

The School Board desires that its individual members learn, understand, and practice effective governance principles. The Board is responsible for Board member orientation and development. Board members have an equal opportunity to attend State and national meetings designed to familiarize members with public school issues, governance, and legislation.

The Board President and/or Superintendent shall provide all Board members with information regarding pertinent education materials, publications, and notices of training or development.

### **Mandatory Board Member Training**

Each Board member is responsible for his or her own compliance with the mandatory training laws that are described below:

1. Each Board member elected or appointed to fill a vacancy of at least one year's duration must complete at least four hours of professional development and leadership training in: (1) education and labor law; (2) financial oversight and accountability; (3) fiduciary responsibilities; (4) trauma-informed practices for students and staff; and (5) improving student outcomes, within the first year of his or her first term.
2. Each Board member must complete training on the Open Meetings Act (OMA) no later than 90 days after taking the oath of office for the first time. After completing the training, each Board member must file a copy of the certificate of completion with the Board. Training on OMA is only required once.
3. Each Board member must complete a training program on evaluations under the Performance Evaluation Reform Act (PERA) before participating in a vote on a tenured teacher's dismissal using the optional alternative evaluation dismissal process.

The Superintendent or designee shall maintain on the District website a log identifying the complete training and development activities of each Board member, including both mandatory and non-mandatory training.

### **Professional Development; Adverse Consequences of School Exclusion; Student Behavior**

The Board President or Superintendent, or their designees, shall make reasonable efforts to provide ongoing professional development to Board members about the requirements of 105 ILCS 5/10-22.6 and 105 ILCS 5/10-20.14, adverse consequences of school exclusion and justice-system involvement, effective classroom management strategies, culturally responsive discipline, trauma-responsive learning environments, appropriate and available supportive services for the promotion of student attendance and engagement, and developmentally appropriate disciplinary methods that promote positive and healthy school climates.

### **Board Self-Evaluation**

The Board will conduct periodic self-evaluations with the goal of continuous improvement.

### **Committees**

The School Board may establish committees to assist with the Board's governance function and, in some situations, to comply with State law requirements. These committees are known as *Board committees* and report directly to the Board. Committee members may include both Board members and non-Board members depending on the committee's purpose. The Board President makes all Board committee appointments unless specifically stated otherwise. Board committee meetings shall comply with the Open Meetings Act. A Board committee may not take final action on behalf of the Board – it may only make recommendations to the Board.

#### **Special Board Committees**

A special committee may be created for specific purposes or to investigate special issues. A special committee is automatically dissolved after presenting its final report to the Board or at the Board's discretion.

#### **Standing Board Committees**

A standing committee is created for an indefinite term although its members will fluctuate. Standing committees are:

1. Parent-Teacher Advisory Committee. This committee assists in the development of student behavior policy and procedure, and provides information and recommendations to the Board. Its members are parents/guardians and teachers, and may include persons whose expertise or experience is needed. The committee reviews such issues as administering medication in the schools, reciprocal reporting between the School District and local law enforcement agencies regarding criminal and civil offenses committed by students, student discipline, disruptive classroom behavior, school bus safety procedures, and the dissemination of student conduct information.
2. Behavioral Interventions Committee. This committee develops and monitors procedures for using behavioral interventions in accordance with Board policy 7:230, *Misconduct by Students with Disabilities*, and provides information and recommendations to the Board. At the Board President's discretion, the Parent-Teacher Advisory Committee shall perform the duties assigned to the Behavioral Interventions Committee.

Nothing in this policy limits the authority of the Superintendent or designee to create and use committees that report to him or her or to other staff members.

### **Discrimination and Harassment on the Basis of Race, Color, and National Origin Prohibited**

Discrimination and harassment on the basis of race, color, or national origin negatively affect a student's ability to learn and an employee's ability to work. Providing an educational and workplace environment free from such discrimination and harassment is an important District goal. The District does not discriminate on the basis of actual or perceived race, color, or national origin in any of its education programs or activities, and it complies with federal and State non-discrimination laws.

#### **Examples of Prohibited Conduct**

Examples of conduct that may constitute discrimination on the basis of race, color, or national origin include: disciplining students more harshly and frequently because of their race, color, or national origin; denying students access to high-rigor academic courses, extracurricular activities, or other educational opportunities based on their race, color, or national origin; denying language services or other educational opportunities to English learners; and assigning students special education services based on a student's race, color, or national origin.

Harassment is a form of prohibited discrimination. Examples of conduct that may constitute harassment on the basis of race, color, or national origin include: the use of racial, ethnic or ancestral slurs or stereotypes; taunts; name-calling; offensive or derogatory remarks about a person's actual or perceived race, color, or national origin; the display of racially-offensive symbols; racially-motivated physical threats and attacks; or other hateful conduct.

#### **Making a Report or Complaint: Investigation Process**

Individuals are encouraged to promptly report claims or incidents of discrimination or harassment based on race, color, or national origin to the Nondiscrimination Coordinator, a Complaint Manager, or any employee with whom the student is comfortable speaking. Reports under this policy will be processed under Board policy 2:260, *Uniform Grievance Procedure*.

Any District employee who receives a report or complaint of discrimination or harassment must promptly forward the report or complaint to the Nondiscrimination Coordinator or a Complaint Manager. Any employee who fails to promptly comply may be disciplined, up to and including discharge.

Reports and complaints of discrimination or harassment will be confidential to the greatest extent practicable, subject to the District's duty to investigate and maintain an educational environment that is productive, respectful, and free of unlawful discrimination, including harassment.

This policy does not impair or otherwise diminish the existing rights of unionized employees to request an exclusive bargaining representative to be present during any investigatory interviews, nor does this policy diminish any rights available under an applicable collective bargaining agreement, including, but not limited to, a grievance procedure.

#### **Federal and State Agencies**

If the District fails to take necessary corrective action to stop harassment based on race, color, or national origin, further relief may be available through the Ill. Dept. of Human Rights (IDHR) or the U.S. Dept. of Education's Office for Civil Rights. To contact IDHR, go to: <https://dhr.illinois.gov/about-us/contact-idhr.html> or call (312) 814-6200 (Chicago) or (217) 785-5100 (Springfield).

### Prevention and Response Program

The Superintendent or designee shall establish a prevention and response program to respond to complaints of discrimination based on race, color, and national origin, including harassment, and retaliation. The program shall include procedures for responding to complaints which:

1. Reduce or remove, to the extent practicable, barriers to reporting discrimination, harassment, and retaliation;
2. Permit any person who reports or is the victim of an incident of alleged discrimination, harassment, or retaliation to be accompanied when making a report by a support individual of the person's choice who complies with the District's policies and rules;
3. Permit anonymous reporting, except that an anonymous report may not be the sole basis of any disciplinary action;
4. Offer remedial interventions or take such disciplinary action as may be appropriate on a case-by-case basis;
5. Offer, but do not require or unduly influence, a person who reports or is the victim of an incident of harassment or retaliation the option to resolve allegations directly with the accused; and
6. Protects a person who reports or is the victim of an incident of harassment or retaliation from suffering adverse consequences as a result of a report of, investigation of, or a response to the incident.

### Policy Posting and Distribution

This policy shall be posted on the District's website. The Superintendent shall annually inform staff members of this policy by posting it in a prominent and accessible location such as the District website, employee handbook, staff intranet site, and/or in other areas where policies and rules of conduct are made available to staff. The Superintendent shall annually inform students and their parents/guardians of this policy by posting it on the District's website and including an age-appropriate summary of the policy in the student handbook(s).

### Enforcement

Any District employee who is determined, after an investigation, to have engaged in conduct prohibited by this policy will be subject to remedial action and/or disciplinary action, up to and including discharge.

Any District student who is determined, after an investigation, to have engaged in conduct prohibited by this policy will be subject to remedial action and/or disciplinary action, including but not limited to, suspension and expulsion consistent with Board policy 7:190, *Student Behavior*.

Any third party who is determined, after an investigation, to have engaged in conduct prohibited by this policy will be addressed in accordance with the authority of the Board in the context of the relationship of the third party to the District, e.g., vendor, parent, invitee, etc. Any person making a knowingly false accusation regarding prohibited conduct will likewise be subject to remedial and/or disciplinary action.

### Retaliation Prohibited

Retaliation against any person for bringing complaints, participating in the complaint process, or otherwise providing information about discrimination or harassment based on race, color, or national origin is prohibited (see Board policy 2:260, *Uniform Grievance Procedure*).

Individuals should report allegations of retaliation to the Building Principal, an administrator, the Nondiscrimination Coordinator, and/or a Complaint Manager.
