Re: CISD Policy Revision

Based upon the recommendations of TASB, I propose the following changes to EIF (LOCAL):

#### **OTHER PHYSICAL ACTIVITY PROGRAMS**

The District shall award state graduation credit for physical education for appropriate private or commercially sponsored physical activity programs conducted either on or off campus, upon District-level approval, **with subsequent reporting to** the Commissioner of Education.

#### **CHANGE POLICY TO READ**

The District shall award state graduation credit for physical education for appropriate private or commercially sponsored physical activity programs conducted either on or off campus, upon District-level approval, **with approval by the Commissioner of Education.**

Change the wording from **with subsequent reporting to** the Commissioner of Education to **with approval by** the Commissioner of Education.
