2016 FALL REGIONALS

September 15 - October 25, 2016

Keeping School Boards Informed, Engaged and Relevant

The pace of change in public education is rapid. Fall Regionals give you a leg up.

Public education in Oregon is in a continual state of change. How can locally elected school board members stay on top? OSBA invites you to attend the 2016 Fall Regional Meetings to discuss opportunities and challenges facing boards and districts across our state.

Fall Regionals are a great opportunity to meet fellow board members in your region, exchange ideas and build support for local education initiatives. And we need your help as well. Feedback from board members and school leaders helps guide our advocacy work and allows us to better address the service needs of our constituents: YOU. This is your opportunity to help shape the work of OSBA and impact the policies and programs we advocate for in Salem.

On the agenda...

2016 Ballot Measures

OSBA staff will provide you with updates on the three ballot measures (97, 98 and 99) impacting K-12 schools in the November election.

The Promise of Oregon / Oregon Rising campaigns

Receive an update on the Promise of Oregon campaign and learn about the new Oregon Rising campaign. We'll discuss how school board members and school administrators can use this information with legislators and the public as we begin getting ready for the 2017 legislative session.

OSBA 2017-18 Legislative Policies and Priorities

OSBA staff will discuss our proposed legislative platform for the upcoming 2017 session. OSBA members will be voting to approve the platform this fall. Voting will be open from Nov. 14-Dec. 16, 2016.

OSBA Revenue Reform Report and membership feedback

As a result of discussions from the 2015 Fall Regionals, the OSBA Board of Directors formed an Advisory Committee on Revenue Reform. You will hear from OSBA staff on the committee's work and be given an opportunity to weigh in on the proposal.

Meet your regional OSBA candidates

For those regions with openings, candidates will have an opportunity to make brief presentations for an OSBA Board seat.

Registration

Let your district superintendent, board secretary or community college president know you'd like to attend. He/she will make your reservation.
