Dear Mr. Price and Whom It May Concern,

I am writing to inform you that I will be resigning from my position effective at the end of my current year contract. I have thoroughly enjoyed working for you over the past four years. I have found you to be an encouraging and supportive administrator. I have also enjoyed my time teaching and coaching the students of Rosebud-Lott. It was exciting to be an integral part of the tremendous success during the 2013-2014 year in our Athletic Program. However, I feel that the time has come for me to move on to a situation better suited for my family and the advancement of my career. I wish you and the Rosebud-Lott Cougars nothing but the best.

Best Regards,

Chad Coker

SUBJECT: LETTER OF RESIGNATION

In September of 2014, I suffered a major medical condition that saw me in the Temple Veterans hospital/rehabilitation center until the end of February. Unfortunately, this resulting in the loss my left lower leg which incapacitated my ability to continue coaching any high school sport.

On March 24, 2015 my principal, Todd Williams, informed me that the coaching/technology teacher position was no longer available to me because of my inability to continue coaching; the two job duties were tied together.

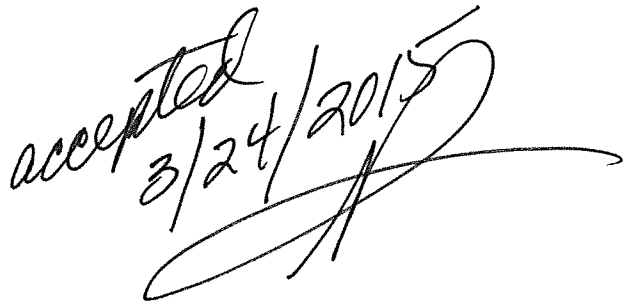

Because of this reason, I am regretfully giving my resignation effective the end of the 2014-2015 school year.

I'd like to thank Rosebud-Lott HS for the opportunity to coach and educate the wonderful students at RLISD.

I sincerely wish only the best future for the staff and students of Rosebud-Lott ISD.

Sincerely,

Kenneth Crocker
