Re: Consolidated District Plan

Recommendation:

It is the recommendation of the Superintendent to approve the 2024-25 Consolidated District Plan as presented.

Background Information:

The Consolidated District Plan identifies the focus areas for the Title I, II, IV, IDEA Flow Through and Preschool grants. This has been presented to a variety of stakeholders including the Building Leadership Team, Board of Education, and St. John's school leadership. Once this plan is approved, we will be able to apply for State and Federal funding in the grant areas.
