

Character Education Outstanding Student of the Month

The Keller ISD Community of Character program is structured to identify one character trait per month and integrate the character traits into curriculum through activities in individual classrooms to school-wide events.

The Keller ISD Community of Character Student of the Month is Cody Linn, a third-grader from Park Glen Elementary School. The character trait for February was Integrity. He was nominated by his teacher, Joanna Ratliff, and his counselor, Melanie Gray.

Cody began a campaign in his class to protest the selling of alcohol at Six Flags. He shared his beliefs with his classmates, and subsequently, his entire class wrote letters to Six Flags expressing these beliefs.
